The world may be going corporate, but on this special night the focus will be on family! Wally's, Drago, and Seghesio are each family-owned businesses, and we happily join forces to present a casual night of showcasing terrific wines and great food. Seghesio Family Winery's General Manager Pete Seghesio will be accompanied by his mother Rachel Ann, the matriarch of the Seghesio clan. Founded in 1895, Seghesio's well-earned fame for producing classic wines from old vines is certainly come by honestly. In addition to presenting an interesting cross-section of their latest wines, the Seghesio's legendary homemade sausage also appears on the wonderful menu Chef Celestino Drago has created for this special occasion. Sign up soon to make sure you will be part of this extraordinary family affair!
